

# Ballyfinane NS

Easter 2024

On behalf of the staff here in Ballyfinane NS, we extend our heartfelt gratitude to our wonderful pupils, dedicated parents, and the supportive Board of Management for their effort and support throughout this term. The children have been working very hard, but have also filled the term with lots of exciting activities. We wish everyone a joyful and relaxing Easter break and we look forward to the children's return for the final term. We have exciting plans ahead, including the much anticipated communion and school tour. Míle Buíochas

## Lego Spike

The senior room have been exploring the fascinating world of coding with Lego Spike, combining the fun of Lego construction with the challenge of programming. Through building and coding their own robots, they are developing critical skills in problem-solving, creativity, and teamwork. It's amazing to see their imaginative projects come to life, showcasing their talent and the endless possibilities of combining technology with play.

## Pancakes!

The children enjoyed some yummy pancakes and treats in the hall for the coffee and pancake morning.

## First Confession

Congratulations to Chloe, Eve, Leah and Emmet who made their First Confession. They are all looking forward to their Communion Day in May.

## Safer Internet Day

Thank you to Garda McMahon for visiting our school to teach the children all about the dangers of the internet and how to stay safe online.

# World Book Day

## Aistear The Garden Centre

Junior and senior infants were busy learning about the garden centre for Aistear. They planted seeds, made some flowers for art and role played as managers, customers, cashiers and assistants in their very own garden centre.

# St. Patrick's Day

## Easter Egg Hunt
